

Pierce Public Schools Classified Employee Handbook 2009-2010 School Year

Section 1 Intent of Handbook

Welcome to Pierce Public Schools. This handbook is intended to be used by classified employees to provide general information about Pierce Public Schools and to serve as a guide to policies, rules, and regulations, benefits of employment, and performance expectations.

References in this handbook to “Classified Employees” are intended to apply to all staff who are not required by their position to hold a teaching or administrative certificate.

Each classified employee is responsible for becoming familiar with the handbook and knowing the information contained in it. Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise. This handbook is intended to supplement other documents that deal with your employment, including your employment contract and the policies and regulations of the Board of Education. In reading this handbook, please understand that where a direct conflict exists, state or federal law and Board policies and regulations will control.

This handbook does not create a “contract” of employment. Classified employee positions and assignments may be ended or changed on an “at will” basis notwithstanding anything in this handbook or any other publication or statement, except for a contract approved by the Board of Education.

The administration will be responsible for interpreting the rules contained in the handbook and shall have the right to make decisions and make rule revisions at any time. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon applicable school district policies, state and federal statutes and regulations, and the best interests of the District.

This handbook will be in effect for the 2007-08 and subsequent school years unless replaced by a later edition.
