

# ALWAYS OUTDOING THE STANDARD

## PIERCE FFA DECEMBER NEWSLETTER

### Natural Resource Day

The Pierce FFA Chapter hosted the 1<sup>st</sup> annual Natural Resource Day for the elementary 5<sup>th</sup> and 6<sup>th</sup> graders on November 8<sup>th</sup>. The Natural Resource day consisted of five different stations. Station one was all about wildlife and showed how to score and age whitetail deer. Station 2 was a model watershed replicating run off and erosion from a field, mountain, and town. Station 3 showed different aspects of forestry and showed how plants utilize nutrients. A representative from Northeast Community College brought their Precision Ag presentation to demonstrate at station 4. Station 5 was all about soils and proper soil conservation.

### Fruit Sales

The Pierce FFA Chapter has had another successful year selling FFA fruit. This year we made a few minor changes with our final spreadsheet as well as adding personal portions of fruit. We look forward to using all of the funds for future FFA activities. Thank You for all the support!

## Burger Bash

The Pierce FFA Chapter kicked off the annual Burger Bash on November 29<sup>th</sup> at the first basketball game of the season. The Pierce FFA Chapter had another successful burger bash. We are looking forward to using these funds towards a greenhouse.
