PIERCE FFA MARCH NEWSLETTER

District CDEs

The Pierce FFA Chapter competed in the District CDEs held at Northeast on February 26th. The Pierce FFA chapter had many teams such as ag mechanics, welding, agronomy, livestock management and vet science. Once again, the ag mechanics and welding teams were successful in qualifying for state. First place finishes included Carter Jensen in TIG welding and Jakob Meier in OA. Dylan Kuehler placed 3rd in MIG welding and Chance Jacobsen placed 4th in SMAW. Members on the 2nd place Ag Mechanics team included Devon Unseld, Kelton Anderson, Jakob Meier, Cole Cheney.

Work Auction

The Pierce FFA Chapter hosted our 61st annual work auction on March 4th. Tinkers provided a meal and Joe Aschoff served as the auctioneer. We are very appreciative of their services. This year was a great turn out with lots of bidders and our highest seller being Jacob Meier selling for \$700!
