7:45	JV Girls 5k (recommended for sub 28:30 runners)
8:25	Varsity Guys 5k (up to 10 runners per team)
9:00	Varsity Girls 5k (up to 10 runners per team)

Course Map: (The course is entirely in the JCAC field immediately to the south of the Splash Station water park)

Restrooms: Portos will be located on site. No showering facility will be available.

Lights: There will be a number of different lights, including ground marker lights (lining both sides of the course). Please tell your athletes these are not souvenirs and they should be left in place for the entirety of the meet. We will collect them at the end and reuse them again next year. This was a large expense, and we really appreciated everyone's help with this.

Concessions: There will be food vendors in the Splash Station Parking Lot that are open to anyone.

Merchandise: There will be Tiger Twilight T-Shirts for sale at the Merchandise Tent next to the Awards Tent. They will be short sleeve with a glow-in-the-dark screen print. The cost is \$20.

Parking: Please let your fans and athletes' parents know that there will be a \$10 parking fee on site (cash or credit card). There is also free parking in the neighborhood to the NW which is about a ½ mile walk from the course. We will send a traffic flow map, as well as a map that shows the location for van and bus parking at the end of this week or at the start of next.
